

## **EDGE: WEBSITE CONTENT**

### **ABOUT US:**

- WHO WE ARE- More than just a tutorial center, We help students realize their true potential, with experienced guidance, curated content and knowledge beyond books in an interactive environment. We run expertise in examination training for PUC, CET & NEET, and also offer foreign language courses and more.
- VISION- **“Education Made Easy”**  
We aim to onboard students seeking help academically to help guide and certify their trust in the courses they choose to pursue. With our support from certified tutors, study material is curated to fit each course as well as cover its textbook course within.
- MISSION- **“Empowering young minds achieve excellence in a holistic environment”**  
Our course material reflects effort strewn from each of the teachers driving the subject course. We believe in transparency, and our content talks for the same. Your children will be encouraged to speak up and engage in class as it helps build confidence in learning the subject and otherwise.
- TESTIMONIALS- *Separate Document Sent.*

### **COURSES OFFERED:**

**EDGE education & services** provides, through the medium of English, a curriculum for a two – year course of study - for **Pre-University Courses in State of Karnataka**.

The course for study in Science and Commerce is so designed that the students, at the end of PUC 2nd year (Std.12) are in a state of preparedness to attempt various competitive examinations, particularly in Engineering, Medicine.

**The following subjects are offered at present:**

**Long term (Full Academic Year) Batches formed around Feb-April**

#### **2 YEAR PROGRAM**

In this program the student is offered coaching for I & II PUC and their respective entrance exams. Students from 1<sup>st</sup> PUC (Std 11<sup>th</sup>) will be able to opt-in for this program. Experienced senior faculty will guide the students through the chapters and portions that contain maximum weightage in board exams. Weekly tests will be conducted to track the progress of the student.

#### **1 YEAR PROGRAM**

In this program, student is offered coaching for II PUC and their respective entrance exams. This course is for students opting at 2nd PUC (std 12). Students are prepared for Board exam + Entrance Exams. The student will not be taught 2 years of syllabus from scratch, but to optimize

students' performance we offer crash courses at the beginning and around end of the academic year. Weekly model tests/Mock Exams are given to students.

The tests are as per the latest Board Examination centric pattern and evaluations. We provide an environment that simulates the official examination conditions that helps every student to be prepared to use their time optimally and efficiently without stressing out.
